About our **COMPANY**

Welcome to QIG , your premier partner in corporate event excellence. Established in 2000 By Mohamed Noby, we have been at the forefront of the event management industry in Egypt, delivering unparalleled experiences for over two decades.

With a rich legacy of executing more than 200 successful events per year, we have earned a reputation for professionalism, creativity, and flawless execution. From intimate corporate gatherings to large-scale conferences and everything in between, we specialize in transforming visions into unforgettable realities.

Company **MISSION & VISION**

At QIG, we work to make every corporate event unique, professional, and well-organized. Our goal is to always deliver events that meet and exceed our clients' expectations.

We want to be known as a trusted partner for corporate events, offering creative ideas, smooth planning, and modern solutions. By using the latest tools and trends, we create memorable experiences that bring people together and reflect our clients' values.
